

**Remarks**

The objections to the drawings have been noted. Formal drawings will be filed after allowance. Applicant has amended the specification and the claims to overcome the objections and rejections in the Office Action. No new matter has been added. Applicant has amended claims 1-2 and has canceled claim 4 to overcome the rejections under 35 USC 112. The claims of record after this amendment are claims 1-3 and 5-8.

The Office Action indicates that claims 1-5 would be allowable if amended to overcome the 35 USC 112 rejections. Applicant has amended the claims to overcome the rejections, except for claim 4, which Applicant has canceled. The Office Action indicates that claims 6-8 are allowed. Thus Applicant respectfully submits that the application is now in full condition for allowance, which action Applicant respectfully solicits.

Very Respectfully,

---
